

2024/25 Children's Services Directorate Plan

Priority 1: Supporting stronger and healthier communities. Communities that are empowered, inclusive, resilient, and safe.			
Council Plan we will...	Directorate Plan Action	Success Measure	Target
Support and safeguard children and adults where protection concerns have been raised	Safe and Together domestic abuse training will be delivered to increase staff skills and confidence in working with families impacted by domestic abuse	100% of practitioners report feeling more confident to work with families experiencing domestic abuse following attendance at the Safe and Together training	100%
	A multi-agency Child Protection Planning meeting will be held to assess whether the risk to the child meets the threshold for a child protection plan	Percentage of Child Protection Planning Meetings held within 28 days	85%
	All children placed on the child Protection Register will have a multi-agency protection plan	100% will have a child protection plan in place	100%
Shift the balance of care for those children who need to be looked after away from home, from residential care to family-based care	Increase the number of local foster carers per year through continual advertising, recruitment and timely assessments of new carers	Balance of care for 'looked after children': % of children being looked after in the community rather than in residential care (LGBF)	87%
		Increase the number of new foster care placements	6
	Kinship carers will have the financial resources required to care for children, rather than children being placed out with the family and potentially the Falkirk Council area and/or in residential care	Percentage of Kinship Carers offered benefit maximisation assessment	100%

Priority 2: Promoting opportunities and educational attainment and reducing inequalities Educational excellence, reduce poverty & inequality, and improve wellbeing			
Council Plan we will...	Directorate Plan Action	Success Measure	Target
Tackle poverty by offering financial health-checks to improve access to services/benefits to help with the cost of living. Support school attendance by reducing the financial barriers in the cost of the school day.	Anyone approaching social work services for support will be offered sign posting to income maximisation and debt advice services, with the aim of reducing the impact of poverty in communities.	100% of service users contacting the Social Work Initial Response Team (IRT) seeking financial support will be provided with contact information for welfare benefits and debt advice services	100%

The Success Measures within the following table currently have not targets applied. Targets will be confirmed by Autumn due to staff changes during May 2024.

Priority 2: Promoting opportunities and educational attainment and reducing inequalities Educational excellence, reduce poverty & inequality, and improve wellbeing
