Notes:

1. Under the Local Governance (Scotland) Act 2004 (Remuneration) Regulations 2007 there are four levels of remuneration payments for councillors, covering the following positions:

Civic Head (Provost)  
Leader of Council  
Senior Councillors, and  
Councillors

The level of remuneration for the Leader is set in the Regulations. Councils have a degree of discretion in setting the number of, and remuneration for, Senior Councillors within certain parameters. The Council's remuneration framework for 2017/18 set two levels of payment for senior councillors - £22,689 (senior councillor 1), increasing to £22,780 with effect from 07/03/18, and £19,020 (senior councillor 2), increasing to £19,096 with effect from 07/03/18. Councillors may also be entitled to remuneration from Joint Board positions - this is reflected in the remuneration for the Convener of the Central Scotland Valuation Joint Board, which was set at £21,160, increasing to £21,245 with effect from 07/03/18.

2. Remuneration is subject to income tax and national insurance deductions.

3. Levels of travel and subsistence payments are determined by the Local Government (Allowances and Expenses) (Scotland) Regulations 2007. Councillors may claim costs incurred when carrying out approved duties. Receipts must be provided. Expenses relate only to the reimbursement of actual expenditure incurred by Councillors. Other Travel refers to the use by Councillors of public transport and taxis while carrying out approved duties. This expenditure is reimbursed to Councillors.

4. Joint Board Expenses refers to expenses claimed by Members of Central Scotland Valuation Joint Board and relates to car and public transport expenses.

5. Councillors are entitled to be reimbursed for the element of their telephone expenses that relates directly to their duties as Councillors.

6. Councillors who hold more than one senior position receive only one payment attributable to the higher paid of the two positions.

7. The above table includes expenses details of 14 Councillors who did not continue as elected Members after 4 May 2017 (Scottish Local Government Elections).

8. Councillor Tom Coleman passed away on 30/11/17. Councillor Niall Coleman was elected to Council on 15/02/18.

<b>TOTAL (inclusive of Council vehicle and hired vehicles)</b>						<b>4083.90</b>

**NOTE 1:** The details shown in the table above highlight costs in respect of training and conferences, telephone and ICT expenses. The costs were met by the Council.

**NOTE 2:** Falkirk Council has one Council vehicle for use by Elected Members. The Council vehicle is for the use of all Councillors in undertaking their approved duties, where considered appropriate. Guidance issued by the Scottish Local Authorities Remuneration Committee requires the costs associated with the use of the vehicles by Councillors on approved duties to be reported annually. The vehicle may also be used by officers and appropriate others but without the requirement to report associated costs. The costs of vehicle usage are met directly by the Council and are not reclaimed by Elected Members. The amount reported includes the estimated running cost of the vehicle together with a proportionate allocation of Civic Officer salary cost for the undertaking of civic and approved duties.

COUNCILLOR ATTENDANCE AT TRAINING AND CONFERENCES

In addition to the duties of their elected office, councillors also undertake training and development, in groups and individually. Details of the training provided for councillors and attendance at seminars and conferences throughout the year are given below. In addition to what is recorded, many councillors may also have undertaken their own programme of self study and awareness raising.
